

Broader Selection, Superior Solutions

Last month, as Sensei, we kicked off the year on a high note at the Bosphorus Boat Show | On Land, where we had the pleasure of welcoming a large number of visitors. Our original-quality Sensei spare parts for Yanmar diesel engines in the marine sector attracted great interest from exhibition attendees.

For those seeking reliable, high-quality spare parts, we are pleased to announce the expansion of our inventory across both sailboat and powerboat categories. We now offer **over 1,000 stock-available products**, including a wide range of high-demand parts. Below, you'll find the key engine models for which we can supply spare parts directly from stock within our marine product group:

- 1GM, 2GM, 3GM series and 2YM, 3YM series
- 4JH4-THE, 4JH3-DTE, 4JH4E, 4JH4E-TE, 3JH40, 4JH45 4JH57 (JH Series)
- 4LH-DTE, STE, HTE (LH Series) and 6LY Series

Additionally, **Sensei maintenance kits** will soon be available in our inventory, providing you with added convenience.

Ready for Bauma

We are ready for Bauma Munich, one of the most prestigious events in the industry, which will take place at the Trade Fair Center Messe München from April 7 to 13. Our engine spare parts, promotional materials, and all other equipment have been sent to Munich after the necessary checks.

At this important fair, where we aim to strengthen our international collaborations and promote our products to potential customers, we are prepared to represent our brand in the best way at both **our main booth (EWE 29/2)** and **our promotional point (A3-A4 connection corridor)**. We look forward to meeting you!
