

Crossing Borders with CARRARO!

Sensei recently shipped a major delivery to our partners at Carraro in Italy. As the exclusive Italian distributor of Sensei, Carraro plays a key role in making our products accessible and serviceable throughout Europe—helping us extend our reach to new regions and customers. Their local expertise and commitment to quality ensure that our products not only reach new markets but also receive the support and service that customers expect.

To even bigger shipments and many more successes on this journey we've embarked on together!

Sensei Heads to CTT Expo

Sensei will be participating in CTT Expo Russia, one of the leading trade fairs for construction machinery and technology in Russia and Eastern Europe, taking place from May 27 to 30.

We would be delighted to welcome you at our **booth 8-615**. Come and be part of this exciting journey with the Sensei family!

We'll also be sharing key moments and highlights from the event in our next newsletter—stay tuned!

All Set for Automechanika 2025

Automechanika Istanbul which is recognized as Türkiye's largest international trade fair for the automotive aftermarket industry, will take place between June 12-15 at the TÜYAP Fair Center.

Automechanika Istanbul is where Sensei's journey began—just a year ago, we proudly launched our brand at this key industry event. Now, we're returning to showcase our growth with a wide range of high-quality aftermarket Yanmar Diesel Engine spare parts, reflecting both our remarkable progress in the last year and our vision for the future.

We warmly invite you to visit us at **Hall 11A Booth A149**. We look forward to reconnecting with our valued partners and introducing new ones. See you there!
